

Silicone Kids Cups With Straws

Silicone Kids Cups with Straws, Unbreakable Training Cup with Straw for Babies and Toddlers for less mess, BPA-Free Silicone Baby cup, 6+ Month, 6oz

Product Details Description

01 Parent Designed For Baby Toddler And Beyond :

Our classic tumbler shaped Silicone straw cups are designed with kids in mind. With soft touch silicone and rounded edges these toddler cups with straws are sized to allow for easy holding for a 6 month old to six year old and beyond. These are ideal for toddler training and to upgrade from the traditional sippy cup.

02 Easy To Clean And Smell Proof :

This baby and toddler straw cup is a breeze to clean due to being made of 100% high grade silicone and is dishwasher safe.

03 Safe, Non-toxic, And Gentle :

100% Food Grade Silicone, 100% BPA, Lead, PVC, and Phthalate Free. Microwave and temperature safe. Flexible and soft straw allows for easy drinking without hard plastics. Bent and straight soft straws are gentle on gums and developing teeth and perfect a developing toddler.

04 Drop Proof And Spill Resistant :

Combining a weighted base with a ribbed locking lid and walls keep the spills under control when this baby straw cup is squeezed, dropped or tossed. Air valve allows no spills when securing the lids and straws. Unbreakable silicone structure is guaranteed to last.

05 Superior Multi Pack For All Ages :

1 pack include 1 cup, 1 lids, 1 flex straight straws to allow easier transition from sippy cup to straw cups. Multi-Color packs are sure to please any boys, girls, or children. A great addition to your kitchen as a smoothie cup, juice up, or everyday cup!
