Silicone Baby Fruit Feeder Pacifier with 3 Different Size Silicone Pouch for Teething Relief Baby Fresh Food Feeder Pacifier Training Massaging Toy Teether

Product Details Description

01 Multi-functional :

Our baby fruit pacifier feeder combine the functionality of a pacifier and teething toy. You don't even need to mash the food up. The generous food storage pouch stores fruits, vegetables, breast milk, or puree. No more dirty fingers. Great for teething babies. Textured surfaces that massage and stimulate gums are perfect for assisting the eruption of front, middle, and back teeth.

02 Easy Cleaning & Storage :

Silicone nipples are super simple to clean. A light scrub under warm soapy water is all it takes to wash the remainder of your baby's meal out.

03 100% Safe :

Our baby fruit feeders are made with certified premium 100% Food Grade Silicone that's BPA, PVC, Latex, Latex, Metals, Phthalate, Toxic and Rust free. Our feeders allow your baby to gum on solids long before teeth come in. Best of all, you don't have to worry about your baby putting choke-sized chunks of food into mouth.

04 Protective Cap & Bonus Pacifier Clip :

Our silicone fruit feeder come with a protective cap. Not only does this cap keep the silicone tip clean and hygienic, but also stops you covering your hands with baby food while you fill the food reservoir. Once you have filled the food reservoir to capacity, you simply lock the handle into position and give it to your baby. A FREE pacifier clip is included.
