

Collapsible Water Bottles

Collapsible Water Bottles 21 Oz - BPA Free, Leak Proof, Foldable Silicone Collapse Water Bottle with Straw, Easy to Compact and Expandable, Travel Essentials Accessories

Product Details Description

01 Smaller size :

Need a compact and lightweight bottle for on-the-go? Our 21oz/620ml silicone bottle is compressed to just 3 inches, making it easy to carry and store in small spaces.

02 Practical design :

This product adopts a straw design, which means you can easily replenish water without inverting the bottle, which solves the problem of easy collapse of folded water bottles. Meanwhile, the lid is removable, and the wide mouth easily accommodates ice cubes or fruits and makes cleaning a breeze.

03 Safe material :

At Bangxing , safety comes first. Our bottle is crafted from food-grade silicone that's BPA-free, non-toxic, and odorless. It can handle extreme temperatures ranging from -40°C (-40°F) to 200°C (392°F). For first-time use, it is recommended to soak in boiling water for 10 minutes to get rid of the odor.

04 Versatile use :

From daily commuting to camping in the wild, this water bottle is suitable for any adventure or daily activity. Also, it's great travel essentials to easily get through security at airports, train stations, and other transportation venues, and then you'll be able to use this product to pick up water.
