Silicone Baby Sippy Cups Baby Led Weaning Toddlers Training Cup Bpa Free Food Grade Leak Proof No Spill 6oz Straw Cup For Infants Toddlers And Kid With Handles

Product Details Description

01

Soft & Durable Food Grade Silicone :

Our baby straw cup are made from 100% food-grade silicone and are free of BPA, PVC, Phthalates, and any other heavy metals.The Soft silicone spout and straw are gentle on developing teeth and gums - but durable enough to stand up to your little teether!That means Bangxing sippy cup are ideal for babies learning to drink by themselves.

02

Two-in-one Design :

Our baby cup features a versatile two-in-one design that can be converted from straw cup to an open cup, encouraging your baby to develop drinking skills.The open cup promotes lip closure, speech development, and safe swallowing while also preventing tooth decay. Going from a straw to independent drinking is such a huge milestone for early development, so we have designed one cup that will be there for every step.

03

Leak Proof & Spill Proof :

No more worries about spills from your little one's playful hands!Our baby cups are equipped with a double-seal structure that keeps the lid securely closed, even if dropped.

04

Dishwasher Safe for Easy Cleaning :

Toss your toddler cups in the dishwasher for a quick clean or boil them on the stove for an even deeper clean –Bangxing cups are 100% dishwasher safe and boil-proof for quick and easy cleanup!These cups are designed for baby's health and momma's convenience!
