

# Silicone Baby Plates With Suction and Built-in Placemat

Mini Mat for 12 Months 100% Silicone Baby Plates with Suction and Built-in Placemat for Infants and Toddlers Baby Led Weaning For Highchair, Dining Table and Travel

## Product Details Description

### 01 Thoughtfully Designed :

The Bangxing Mini Mat, an all-in-one placemat + plate with a stable base that reduces tipped bowls/plates, is ideal for encouraging self-feeding in infants and toddlers.

### 02 Making Mealtime :

Our divided-designed Mini Mat fosters positive mealtime experiences, ideal for baby-led. With three compartments to promote balanced meals, it's perfect for infants and toddlers alike.

### 03 Designed + Tested By A Pediatric Feeding Expert :

Rest assured, all Bangxing products are meticulously crafted and rigorously tested under the guidance of pediatric feeding experts. Our commitment to safety and effectiveness ensures that your child's developmental milestones are met with confidence.

### 04 Quality Material & Easy Maintenance :

Crafted from food-grade silicone, free from harmful substances like BPA, BPS, PVC, latex, and phthalates. Dishwasher and microwave safe for convenient cleaning, and includes a reusable travel bag for on-the-go use, making it a toddler travel essential.
