

Silicone Abacus Beads

Silicone Abacus Beads, Crafted with ultra-soft, food-grade silicone, our 12mm abacus beads blend safety and style. Perfect for teething necklaces or chic jewelry, they're BPA-free, dishwasher-safe, and designed for sensory play. Customizable colors/textures to match your brand's vibe. EU/US safety certified.

Product Details Description

01 Silicone Abacus Beads :

Unleash your creativity! These silicone abacus bead bulk blocks have 2mm holes for easy pairing with other types of silicone beads.

02 Premium Silicone Material :

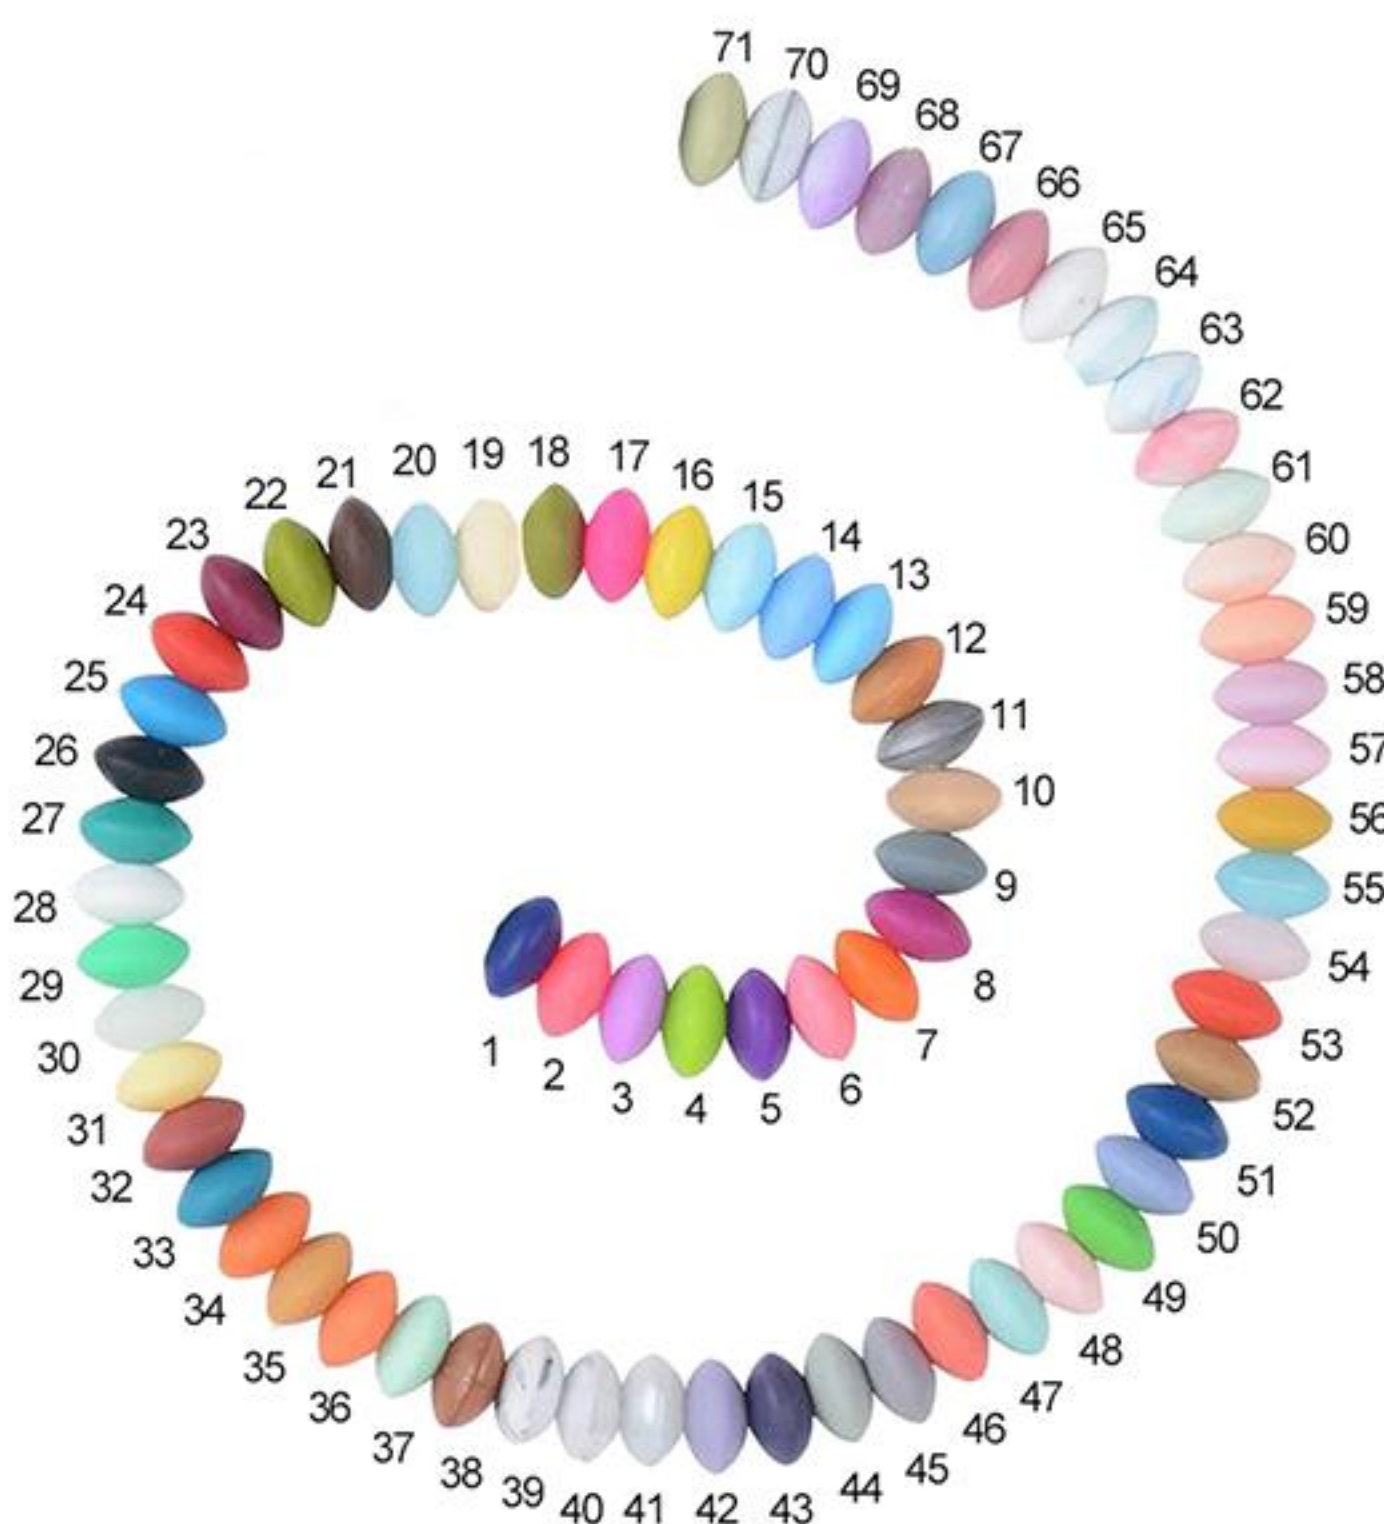

Silicone abacus beads are made of premium silicone that is durable, flexible, easy to clean, and safe to use. The premium material ensures that your key-chain or other DIY craft will stand up to daily use and retain its vibrant colors.

03 Multi-purpose Applications :

Besides making key chain supplies, These bulk silicone abacus beads are perfect for a variety of DIY projects. Use them to make bracelets, necklaces, jewelry, pens, or even add them as decorations to your crafts.
