## Product Details Description

### 01 Adjustable Strap Design :

Comfort is the most important thing, so we designed our silicone bibs with an adjustable neck strap. You can adjust our bib four ways and use it as long as your child grows and learns how to self feed for the perfect fit!

### 02 Food Catching Pouch :

Our silicone baby bibs have sturdy and deep pockets thoughtfully designed to catch crumbs and spills, ensuring a mess-free mealtime. Spend more time with your little one instead of cleaning up!

### 03 Durable & Easy to Clean :

More convenient than fabric baby bibs, our food-grade silicone bibs for babies are built to last. They are waterproof, stain-resistant, and can easily be thrown into the dishwasher or hand-washed as preferred.

### 04 Baby Safe Material :

Made from 100% food-grade silicone, the buttery soft material of this silicone bib is comfortable, lightweight and safe. Our silicone bib is BPA-Free, PVC and phthalates free for your peace of mind.
