Ideal for purees, snacks, and on-the-go feeding. Dishwasher-safe, freezer-to-microwave durable. Customizable logos available for branding. Simplify mealtime with convenience parents trust.

## **Product Details Description**

# Reusable Pouch For Homemade Baby Food :

These durable, 100% food-grade reusable baby food pouches are perfect for homemade baby food, purées, and more. Saves money and reduces plastic waste. These Bangxing reusable pouches are one of the best refillable pouches for baby food.

## **Encourages Training Feeding:**

Each of these reusable pouches for toddlers and babies includes a variable flow opening for safe, training paced feeding. Soft silicone spout is gentle on mouths, easing the transition to solids.

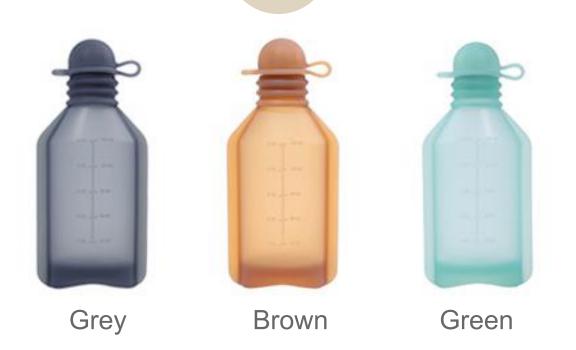

Stands upright with a wide neck, so simply pour in your homemade goodness! Cleaning is a breeze due to the pouch's smooth, single-piece silicone construction.

## Freezer and Microwave Safe :

Our food pouches are freezer and microwave safe, making it even more convenient to feed baby .
