

Silicone Fold Plate

Silicone Fold Plate: Perfect for picnics, school lunches & outdoor adventures. Collapsible design saves space, three compartments prevent food mixing. Microwave/dishwasher-safe, eco-friendly materials meet parent-approved safety standards. Custom branding available. Durable, portable mealtime solution for school & families on-the-go.

Product Details Description

01 Portable and Foldable :

The perfect toddler plates for on-the-go meals! These baby plates easily unfold into three perfectly sized food compartments, portable for outdoor and school. When mealtime is over, simply fold, lock, and go!

02 Earth And Family Safe :

Made from silicone plates for baby, our materials are eco-conscious and safe for daily use. Bangxing products, including our toddler dishes and silicone plates for toddlers, are free from petroleum plastics, BPA, BPS, PVC, and melamine .

03 Dishwasher and Microwave Safe :

Food can be heated and refrigerated with confidence, dishwasher-safe and very convenient.

04 Perfect Gift & Built To Last :

Featuring a sleek, modern design in colorful colors, this toddler plate makes a thoughtful gift.
