Product Details Description

01 Safe Material :

Bangxing bathtub mat is made from silicone, a non-toxic and safe material that is odorless, Phthalate free, BPA-free, no more bother from traditional PVC mat's toxic chemical smells, good for elderly, kids, and pregnant

02 Large Cup & Stronger Suction :

Bath shower mats feature 319 mini suction cups, adsorption stronger than other suction cup, that help securely hold in place on smooth, clean surfaces. Bathtub mat has 59.5cm*40cm long, texture and bump surface design provides enough non slip protection.

03 Soft Touch & Endurable Ues :

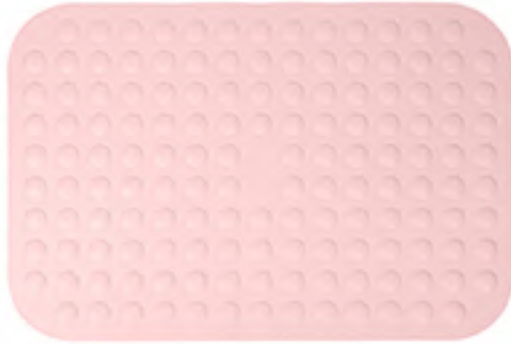

We build our tub mat with quality silicone (soft material) with a soft-to-touch surface to make you feel extra comfy step on it. Bubble shape design gives you a pleasant massage touch experience to relax your body. Moreover, the Silicone tub mat resists cracking and tearing ensuring a long time of comfortable use.

04 Versatility & Easy to Use :

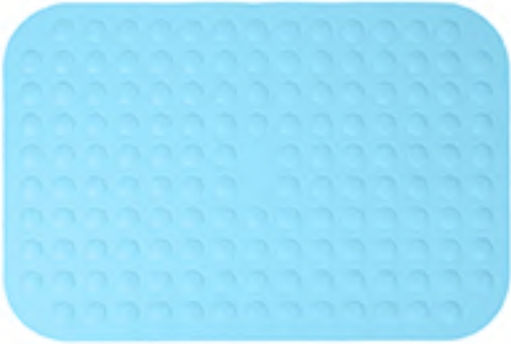

Bathtub mat built for bathtub and shower stall etc. Great for home, hotel, gym, sauna, spa, etc. Machine Washable and hang air dry after each use to keep mat fresh.
