

# Silicone Rainbow Pacifier Chain

Sensory Silicone Teether & Clip,Crafted with BPA-free silicone and an eco-friendly wooden clip, our rainbow teether chain stimulates sensory development while soothing gums. Durable, dishwasher-safe, and customizable with your logo.

## Product Details Description

### 01 Baby Pacifier Clips with One-Piece Design :

Our pacifier clips feature a unique one-piece design that ensures durability and eliminates the risk of detachable components.Interesting rainbow design makes baby fun.

### 02 Safe for Baby :

Made from natural silicone and wooden material, our pacifier clips have been upgraded with a thicker and sturdier construction, providing enhanced safety and peace of mind for parents.

### 03 Metal-Free and Rust-Free :

Unlike traditional clips with metal parts, our clips are made of wooden and silicone, offering a gentle and comfortable experience for babies without the risk of scratches or sharp points. They are the safest option available in the market.

### 04 Easy to Clean :

Our pacifier clips are crafted from high-quality silicone that withstands both high and low temperatures. This makes them dishwasher safe and incredibly easy to clean, allowing parents to maintain cleanliness effortlessly.
