Baby Early Spoon Set Feeding Training Spoon Toddler Utensil BPA-Free Silicone Baby Led Weaning Soft-Tip Training Spoon Silicone Chew Spoon Set for Babies and Toddlers

## Product Details Description

01

### Funny Led Weaning Training Spoon Set :

Simply rotating the silicone spoon as transporting blended baby fruit and vegetable purees, the blended foods will magically stay between the dipper’s crevices, thus making mealtime more fun with less mess.

02

### Teething Relief :

The tip of each utensil handle features interesting textured surfaces that not only massage and stimulate gums but also are perfect for assisting the eruption of front, middle, and back teeth.

03

### Safety Top Priority :

The Bangxing silicone spoon & fork feeding set is manufactured with 100% high purity food-grade silicone. The weaning spoon holds just the right amount of food for each time, preventing overfeeding and choking hazards.

04

### Easy Cleaning :

Our silicone spoons Set are super simple to clean. A light rinse under warm soapy water is all it takes to wash the remainder of your baby’s meal out. This feeding set is dishwasher safe and can even be frozen to calm aching and inflammation in the mouth.
